Israel was able to intercept many of the rockets with its Iron Dome defense system; but after seeing its civilian areas indiscriminately targeted, with innocent civilians, including children, having been killed, Israel finally struck back, exclusively targeting Hamas, Palestinian Islamic Jihad, and other sites from which the terrorists launched their terror attacks.

The attacks against Israel's civilian population were so egregious that on May 13, 2021, a Resolution was introduced in the United States House of Representatives, condemning the indiscriminate terror attacks against Israel that targeted and killed innocent civilians<sup>1</sup> and another on May 21, 2021.<sup>2</sup>

Also on May 13, 2021, a group of Antisemitic, anti-Israel members of Congress, known colloquially as "The Squad," led by Representatives Ilhan Omar, Rashida Tlaib, and Alexandria Ocasio-Cortez, took to the House floor, making outrageous false claims attacking Israel, and engaging in virulently Antisemitic

Meanwhile, all across the United States, violent Antisemitic gangs took up this same rhetoric and attacked innocent visibly Jewish people in May 2021, as the media has widely reported,<sup>6</sup> finally causing even President Biden and Vice-President Harris to speak out publicly against it.<sup>7</sup> Among the brutal, violent Antisemitic attacks, targeting Jews because they were Jewish, highlighted in the international media because they were so violent and shocking and clearly were acts of targeting Jews because they were Jewish, was the tragic, brutal, unprovoked beating of Plaintiff Joseph Borgen by these Defendants and others, including a minor whose identity is not yet known.<sup>8</sup> Mr. Borgen was targeted solely because he was visibly Jewish.

This lawsuit arises from the unprovoked, brutal, violent attack by these Defendants against Plaintiff Joseph Borgen, that left him badly injured. These Defendants were a gang of Antisemitic thugs who conspired with each other and others to brutally attack Plaintiff Borgen because he was Jewish and because they hated and wanted to hurt Jews. These Defendants and others surrounded Plaintiff

Borgen in the area of Times Square in New York City on the evening of May 20, 2021, while he was on his way to a rally in support of the State of Israel, and punched, kicked, pepper sprayed him, and otherwise assaulted Mr. Borgen just because he was Jewish (and visibly so), causing great pain and serious physical damage to him, requiring surgery. The widely publicized attack left Jews around the country feeling scared just to engage in normal activities publicly, let alone advocacy for Israel, out of fear that they too could be targeted and hurt by these Antisemitic gangs.

### **RELEVANT FACTS**

11. On May 20, 2021, Plaintiff Joseph Borgen decided to attend a rally in support of the State of Israel, scheduled to take place that evening in the Times Square area of New York City.

12. Mr. Borgen worked from home on May 20, 2021 until about 6:00 p.m. and then walked to a subway stop near his home for the trip to the rally.

13. Mr. Borgen rode the subway to 57<sup>th</sup> Street and 7<sup>th</sup> Avenue, walked up the steps in the station, exited the station at 55<sup>th</sup> Street and 7<sup>th</sup> Avenue, and began walking down 7<sup>th</sup> Avenue, toward the rally that was scheduled to take place in the area of 47<sup>th</sup> Street and 7<sup>th</sup> Avenue.

14. Mr. Borgen was at all relevant times wearing a yarmulke or kipa, a skull cup which is associated with the Jewish religion and identified him as Jewish. His yarmulke was fully visible.

15. When Mr. Borgen reached 49<sup>th</sup> Street, he turned off of 7<sup>th</sup> Avenue toward Broadway as a shortcut to the rally in support of the State of Israel.

16. Within moments of making that turn, Mr. Borgen heard people yelling,

but he was not sure why they were yelling or to whom or what the yelling was directed.

17. Mr. Borgen continued walking toward the State of Israel rally; but within seconds he realized that the yelling was coming from these Defendants and he realized that it was directed at him.<sup>9</sup>

18. Mr. Borgen turned in the direction of the yelling and saw the Defendants behind him and now running toward him.

19. By the time Mr. Borgen turned and saw the Defendants running toward him from behind, they had closed within steps.

20. The Defendant closest to him had his fist cocked, ready to strike Mr. Borgen and before Mr. Borgen could prepare for the attack, attempt to defend himself or flee, he was surrounded by all of the Defendants, who would not allow him to flee.

21. The Defendants brutally attacked Mr. Borgen physically.

22. The Defendants punched and kicked Mr. Borgen repeatedly, knocking him to the ground as they continued punching and kicking him mercilessly.

23. The Defendants struck Mr. Borgen forcefully with weapons, as they continued their unprovoked attack on Mr. Borgen.

24. The Defendants sprayed Mr. Borgen with pepper spray or mace over and

over again, causing excruciating pain as they continued attacking him.

25. The Defendants punched and kicked and struck Mr. Borgen with weapons all over his head and body and sprayed the pepper spray or mace in his eyes.

26. As the Defendants attacked Mr. Borgen, they repeatedly yelled virulently Antisemitic words directed toward him, while they beat him.

27. The Defendants yelled at Mr. Borgen words that included, but were not limited to “ Hamas will kill you, f...ing Jew, and we will take our land back.”

28. The Defendants yelled “F... Israel” and called Mr. Borgen a “dirty Jew.”

29. Throughout their brutal attack on Mr. Borgen they continued their virulently Antisemitic remarks directed toward Mr. Borgen and they continued to yell their support for the terrorist group Hamas and for plans to destroy the State of Israel.

30. At all times while they brutally beat Mr. Borgen, the Defendants held him captive and would not allow him to leave.

31. Mr. Borgen tried at all times during the attack to defend himself by covering his head and face, trying to blunt the impact of the Defendants’ relentless, vicious blows; but he was unable to fend them off.

32. The attack lasted until a point when Mr. Borgen thought he would die from the Defendants’ attack, when finally New York Police Department officers arrived and restored order.

33. Mr. Borgen was taken by ambulance to a New York City hospital for

treatment and evaluation for the terrible injuries he suffered from the Defendants' brutal attack.

34. As a direct and proximate result of the Defendants' attack, Mr. Borgen suffered a concussion, terrible burning pain in his eyes from the spray the Defendants used against him, tremendous pain in his head, face, stomach, chest, arms, and legs - all over his body, where the Defendants had struck him with their fists and weapons and kicked him.

35. As a direct and proximate result of the Defendants' attack, Mr. Borgen suffered bruising and lacerations to his head and face and all over his body.

36. As a direct and proximate result of the Defendants' attack, Mr. Borgen suffered permanent physical injury, including injuries to his wrist that have required surgery and injuries to his face and neck area that required the wearing of neck brace. The full extent and duration of Mr. Borgen's injuries and related consequences remains unknown. Mr. Borgen has not re-gained functionality of the wrist the Defendants injured.

37. As a direct and proximate result of the Defendants' attack, Mr. Borgen suffered tremendous emotional trauma, severe emotional distress, fear for his safety, fear for his life, and additional psychological trauma and these emotional and psychological injuries remain today and likely will last for a long time and perhaps permanently.

38. The events described herein, including the brutal attack by these Defendants against Mr. Borgen occurred within the Southern District of New York.

39. Prior to and during their brutal attack on Mr. Borgen, the Defendants conspired with and among each other, in New York State and with others, for the purpose of depriving Mr. Borgen, because he is Jewish, and others, based on their status as Jews, of the equal protection of the laws and of equal privileges and immunities under the laws.

40. Pursuant to, consistent with, and in furtherance of their conspiracy and the goals of their conspiracy, the Defendants brutally beat Mr. Borgen, causing him severe injuries and deprived Mr. Borgen of the rights and privileges guaranteed to all citizens of the United States.

41. The Defendants' conspiracy and actions in furtherance of their conspiracy directed toward Mr. Borgen, because he is Jewish and is a member of the larger class of Jewish people, deprived Mr. Borgen of the right to walk safely down the street, to be free from unlawful imprisonment, to be free from attacks based on his religion.

42. The Defendants' conspiracy and actions with respect to Mr. Borgen constitute a hate crime under New York's criminal law.

43. Almost immediately, New York law enforcement officers began their efforts to capture and arrest the Defendants to bring them to justice for their hate

crime attack against Mr. Borgen.<sup>10</sup>

44. By June 7, 2021, law enforcement authorities succeeded in capturing the last of these Defendants for the hate crimes they committed against Mr. Borgen.<sup>11</sup>

45. At no time has any Defendant in any way indicated any remorse for his actions. In fact, following his arrest for the hate crime attack on Mr. Borgen, Defendant Awawdeh publicly and proudly vowed that he would do it again.<sup>12</sup>

46. At all times relevant to this lawsuit, the Defendants acted intentionally, willfully, wantonly, with reckless disregard for the life and safety of Mr. Borgen, and with actual malice, intending to severely injure or kill Mr. Borgen and they so acted because Mr. Borgen is Jewish. This was all a goal of their conspiracy.

47. No Defendant at any time attempted to intervene to stop the attack on Mr. Borgen.
